

Health Promotion Coordinator

We are seeking a highly motivated Health Promotion Coordinator who wants to lead a team and support our community. Building and delivering prevention and health promotion plans that really make a difference.

Connect Health and Community provides a range of primary health, mental health, dental and community services to people of all ages within the community. We have a comprehensive infection control plan in place to ensure the safety of our staff and clients.

This role within our Child Youth and Family Program will provide effective leadership and management of a dedicated team of professional staff. This leadership position has responsibility for the delivery of Health Promotion programs and population based initiatives in line with the Prevention and Health Promotion Plans responding to community needs.

You would work closely with internal and external stakeholder demonstrating your leadership, initiative, an ability to problem solve and capacity to respond flexibly to unexpected demands.

We are looking for:

- Tertiary qualifications in Health Promotion, Population Health or Public Health
- Minimum five years' experience in Health Promotion, Population Health or related field in a community setting
- Demonstrated experience and knowledge of contemporary health promotion theory and practice
- Sound knowledge of the National, State and Local health policy context
- Ability to create a Prevention and Health Promotion plan and deliver the outcomes through individual contribution and working with your team
- Lead a team providing day to day leadership to team members, volunteers and students
- Confidence and capability to work with internal and external stakeholders including clients, carer and our community
- Well-developed interpersonal and communication skills, both verbal and written with the ability to build effective relationships with people from diverse backgrounds
- Ability to write grant, tender and submissions experience for funding opportunities

The period of employment will begin as soon as you are available on a part time basis (3 days/22.8 hours per week) until 30/6/23. Salary and conditions as per Victoria Stand Alone Community Health Centre Social and Community Services Enterprise Agreement Level 3 with Year subject to experience and qualifications.

Connect Health offers many benefits that assist with work and life balance including:

- Flexible hours
- Salary Packaging
- Continuous professional learning and development opportunities
- Family friendly environment
- Location at East Bentleigh and Cheltenham sites

A condition of employment is a current Working with Children's Check and Police Check. If you do not already have these checks, you must be prepared to apply and fund them.

For a confidential discussion, please contact:
Kate Temby, Program Manager Ph: 9575 5349

Applicants should obtain a copy of the relevant Position Description and address the key selection criteria – available on our website <http://www.connecthealth.org.au/>

Please apply through Seek or send your cover letter and resume to: [**recruit@connecthealth.org.au**](mailto:recruit@connecthealth.org.au)

Closing Date: 18 September 2020

Connect Health & Community recruitment and selection procedures reflect our commitment to the safety and wellbeing of children and young people. Relevant screening and police checks will be conducted.

We encourage individuals of diverse backgrounds including but not limited to those from the Aboriginal and/or Torres Strait Islander, Culturally and Linguistically Diverse, the LGBTIQ+ community and those living with a disability to apply.
